Free and Reduced Breakfast/ Lunch Program:

Remember a new application must be filled out every school year.

All families are encouraged to fill out a free/reduced application. This helps our district in many areas, not just food service.

Remember a new application must be filled out every school year. If there is a change in income or household size throughout the school year a new application can be filled out.

School Year 2017-2018 applications are now available on our school web-site and school offices.
